FITNESS MAT

Made of natural cork, this yoga and Pilates mat is adorned with emblematic Ritz Paris motifs printed in the hotel's signature Pantone blue: its elegant crest and a sun evoking sun salutations. Its 100% recyclable composition is conceived for both hygiene and comfort.

Sourced in Portugal, cork is a natural antibacterial material and EVA, the material coating the back of the mat, is an ideal anti-slip surface that cushions movements. The mat's practical carrying strap in 100% cotton features the inscription "Rendezvous 15 Place Vendôme."
